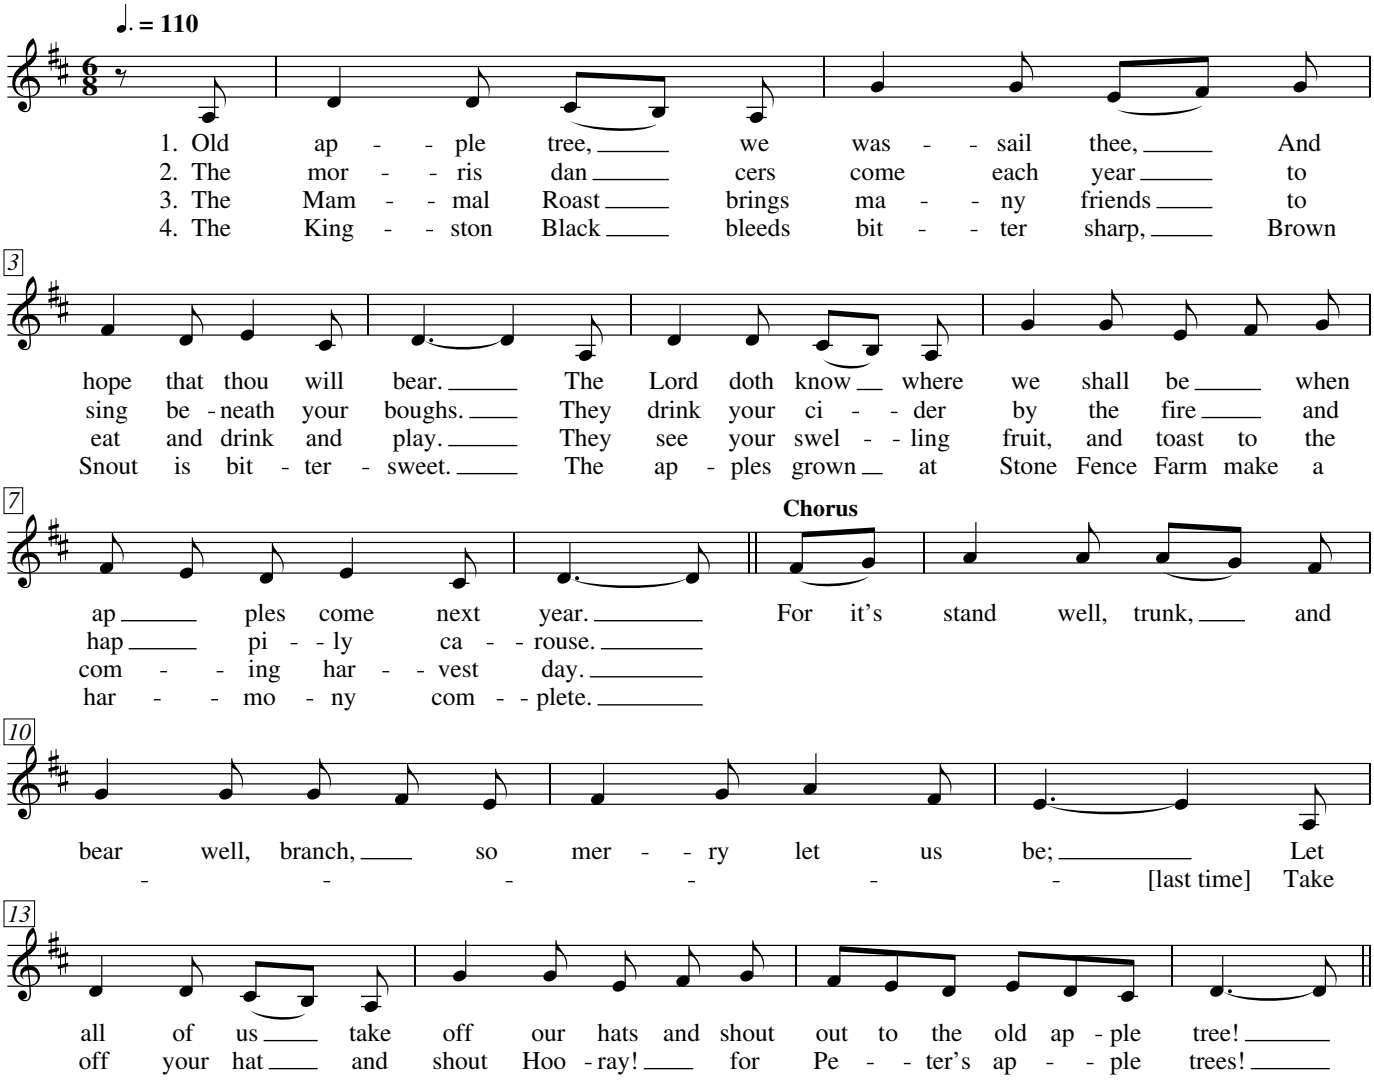
Rumsey Road Wassail
Old Apple Tree Wassail

trad. English (Somerset)

Drumming: 4 beat lead in; drumming throughout



Shouted:
Hatfuls, capfuls, three bushel bagfuls
And a little heap under the stairs
Hip! Hip! Hurray!

The tune and first verse and chorus, with minor changes, are traditional. Verses 2-4 and final chorus were written by Susan Galbraith, in honor of Peter Hoover and his Stone Fence Farm cider orchard in Trumansburg, NY. We are gratified to have been able to perform this carol for Peter, and do a proper wassail of his orchard, including a mummers play written for him, on January 19, 2019. He died peacefully, 80 years young, surrounded by his family, on October 11, 2019.
